

Dear [name of person],

On Saturday, September 11, Life Stories Child & Family Advocacy will host their 9<sup>th</sup> Annual Superhero Run & Family Carnival. As part of this fun event, I'm raising funds for their organization. If I raise \$100, I will get to run in the [10K/5K/1mile – choose one] race for free! I've always wanted to be a superhero, and this event is a great excuse to wear a cape for a day!

Life Stories Child & Family Advocacy supports children in Weld County who have been abused and neglected. Their work is important to me because [share why it is important to you]. My fundraising goal is [list fundraising goal]. Would you join me in supporting Life Stories by making a donation?

You can choose how much to give but may want to consider the following donation amounts:

- \$50 ( [ ] % of my fundraising goal)
- \$10 for each mile I run
- \$1 for each day you wish you had a superpower!
- Any amount helps!

To donate, please visit [link to your fundraising page]. Thank you for supporting abused and neglected children in our community!

With gratitude,  
[your name]
