## Leave a Lasting Tribute

Life Stories Child & Family Advocacy recently renovated our new building to better serve the increasing numbers of child victims of abuse in Weld County. Please join us as we continue to create a lasting home for the children and youth served by the CASA Program and Child Advocacy Center.

Be part of a special commemorative opportunity to leave a lasting tribute. Adding a name to our Building Partners Wall designed by Circle Graphics is a great way to honor a friend, loved one, volunteer, staff member or group. It shows your support to ensure that many children for years to come will have the powerful advocacy and support that they need. By donating a minimum of \$250 in this final phase of our Capital Campaign, you or your loved one will become a part of the ongoing history of this special building. We invite you to help provide a foundation of hope for the children and youth we serve.

Your gift directly supports the Capital Campaign for Life Stories.

**Want to be added to the donor wall? Gifts & pledges made by April 30 will be included on the next installation.**

Gifts of \$10,000+ will have a naming opportunity. Check here to have us contact you to discuss.
